

Primary School After-School Care - School Year 2025-2026

This year the After-School Care Service will begin on Thursday 4 September 2025.

The After-School Care Service will run **Mondays, Tuesdays, Thursdays and Fridays** from 3:30 pm to 6:00 pm. Only students enrolled in at least two extracurricular activities on **Wednesdays** will be allowed to stay after 12:30 pm.

There are 3 ways to benefit from our After-School Care Service:

- A. You can pay on an annual basis
€1.548 per child for the full school year 2025-2026.
Unlimited access to After-School Care all year round.
This is the most economical option, offering a 10% discount and giving you unlimited access to After-School Care all year around.
- B. You can pay on a per-term basis:
 - **€670 for Term I**
 - **€510 for Term II**
 - **€540 for Term III**
- C. If you require a more flexible and irregular access to After-School Care, we offer a **20-hour Access Card for €100**, which can be used when necessary throughout the year. New cards can be purchased in cash as needed, all year long. These cards do not expire and are valid from one year to the next, but they cannot be transferred to another family. **Fractions of an hour will be considered as one full hour.** If your child stays after school for an extracurricular activity, that hour will not be counted on the access card.

Children will have access to the playground in good weather, as well as indoor activities.

Unfortunately, we cannot offer discounts if more than one child from the same family attends After-School Care.
